Lime Filler 904

Technical information sheet

/ Item no. 026503208 / EAN 4016215105221

Ready-to-use, white, mineral-based filler for interior walls and ceilings. This lime-based filler is characterised by its high water vapour permeability and helps to regulate and balance the indoor climate. Once thoroughly dry, the filled surfaces can be sanded very easily.

- ready for use
- for mineral substrates in interior applications
- Highly water vapour permeable
- mould-resistant due to high alkalinity
- Very good sanding properties

Area of application

Mineral-based lime filler for living rooms, hallways and bedrooms: smooths walls and ceilings, vapour-permeable, moisture-regulating, easy to sand.
